

## ACHRA Training Sessions

With the weather warming up and many new puppies and members we have decided to run some training classes to encourage the participation of our new members in the club and in the sport.

We will begin the sessions on Saturday, May 1, 2021 at 10am. They will be held at the ACHRA training grounds by Wabamun. Check in with us under the shelter by 9:50am. Each session will be about 2 hours.

Bring your dog and the equipment you are currently using to train, including some treats. This will be an orientation where we will discuss your goals, assess the level at which you are working and get you started on some homework for the week. We will work on retrieve and obedience foundation and the basics of marks and handling for blinds.

We plan on giving 6 weeks of instruction, although it may not be consecutive and we may change time or location. You will not have a trained dog at the end of this 6 weeks ... only the beginning of one!! There will be a charge of \$120.00 for the 6 weeks, all proceeds to the club, EMT or cheque made out to ACHRA. These will not be drop in sessions. We do need you to commit.

Your puppy/dog must have current vaccines (we require a vaccine certificate) and payment is due by April 26, 2021. Limited spots available!

Tentative dates are:

May 1

May 8

May 15

May 29
